

Limited Warranty

1. Hair Spa is subject to a one year limited warranty. If your Hair Spa malfunctions within 1 year from the date of purchase due to defects in materials and workmanship it may be covered by this limited warranty, subject to certain exclusions set forth below, and the Distributor's sole discretion. The Distributor reserves the right to reject any claim for any reason or no reason.

(a) In the event of malfunction, please fill out the Limited Warranty certificate below and return the Hair Spa to the original place of purchase along with the completed Limited Warranty form.

2. Limited Warranty coverage exclusions: This limited warranty excludes malfunction arising from the following:

(a) Damage caused by misuse, abuse, or use in contravention of the terms set forth in this manual.

(b) Damage caused by alterations, modifications, customisation or any authorised attachments to the device.

(c) Damage caused by accidents or carelessness (ex. dropping)

(d) Damage caused by fire, earthquake, flood and or any other natural disasters.

(e) Any type of damage occurring after one year from the date of purchase, by which the Limited Warranty period has expired.

3. If the device is not returned to the original place of purchase or if the device was purchased online, the customer is responsible for any costs arising from shipping the defective device in accordance with any instructions received from customer service and or the original place of purchase.

4. This Limited Warranty cannot be reprinted, reproduced, altered or copied. Please store it in a safe place. Unauthorised reprinting, reproduction, alteration, and or copy will void this Limited Warranty.
